Covid 19

There have been a number of changes inside the building to ensure that it is safe and meets with current Government guidelines. This includes a one-way system to the toilets and sanitisers at strategic points throughout the building. Social distancing requirements mean that we are only able to use the large hall upstairs and all activities will be moved to there.

This continues to be a very difficult time for all of us but we are looking forward to welcoming you back and seeing the hall busy again.
